South Arm 4-H Club Enters Michigan State Contests

Eleven members of the South Arm 4-H club will represent Charlevoix county at the biggest 4-H club event of the year in East Lansing, August 30 to September 30th.

Among those called to the state show from the local 4-H club are members of a model business meeting demonstration which took top honors at the 4-H club district show in Gaylord recently.

With their 4-H leader Mary Lord, the members are: Walter Murphy, Harold Hart, Betty Fisher, Jean Ann Partee, Roger Stokes, Sally Graham, Wayne Murphy, Tommy Eichler, Evelyn Crawford and Milton Bulmann.

When the East Jordan club members compete at East Lansing they will be meeting more than 2,000 boys and girls from 82 counties. They will compete for $33,500 in premiums and trip awards.

Charlevoix County junior archery champ, Tommy Eichler, will take part in the state junior shooting contest for Michigan honors.

BETTY FISHER will attend not only the business demonstration meeting, but also take part in the canning and freezing judging at East Lansing.

All exhibits, demonstrations, judging and evening programs are free and open to the public The 40th annual show will be held on the campus at Michigan State.

The South Arm 4-H club has been a consistant winner in various northern Michigan club exhibits and demonstrations.

STATE FAIR BOUND. Sixteen year old Martha Lord, East Jordan high school junior, will be among 25 Michigan 4-H club girls selected to show home made model dresses in the state fair band shell, Detroit, Saturday, September 3rd. While there she will be guest of the fair management at the colosium show. The fair is acquainting visitors with work of Michigan 4-H clubs.

In addition Martha, a member of the South Arm 4-H club, will compete at the annual Michigan 4-H club show in East Lansing next Tuesday with [illegible] other state girls for top dress making honors. She won the dress making award for Charlevoix county in Boyne City during the 4-H club achievement day last spring. Called to 4-H club week in East Lansing in June, Martha's dress was picked among the top third of 103 entries. She made the dress and accessories in above photo. Martha is the daughter of Mr. and Mrs. Clarence Lord, of East Jordan. (Photo by Huckle)

OVER THE BACK FENCE

BY MARSHALL

Enough of this stuff about: "If you live in East Jordan, where in heck is West Jordan? We used to give a half grin and get all fussed up. It made us feel silly.

But things have straightened themselves out. And if anybody shoots that time worn question at you just step right up and answer that it is on the west side of the Jordan river. Where else?

West Jordan's population is 2,107 at the last head count. It is located on the intersections of highways 48 and 68.

If you want to step over to West Jordan you'd better take your lunch. For it is some 1,800 miles — a little bit south but mostly west.

(Feller over in Boyne City has the answer why West Jordan moved so far away from East Jordan, but we ain't going to tell that one.)

If you think our Jordan river is crooked take a look at West Jordan's Jordan river. It has more bends than drunken pretzel twister.

Their Jordan river runs between Great Salt Lake and Utah Lake and West Jordan is about five miles south of Salt Lake City on the west side of the river. There is no East Jordan within a radius of a 1800 mile circle.

Salt Lake City is so close its 181,718 population is breathing down West Jordan's back.

Folks in West Jordan count their clocks on Pacific Standard Time. So when we are eating dinner here they aren't even hungry yet.

They are dragging three hours behind us. But what they are dragging we ain't even got a hold of.

So don't laugh about the people in West Jordan being slower than the people in East Jordan. At least they are fast enough to get the state to pave a highway through town.

As far as East Jordan goes, West Jordan is down south. For if you moved it straight East across United States it would line up with Ft. Wayne, Indiana. And this summer that was too far south for any Jordan, East or West.

We're going to send this highly valued piece of writing to West Jordan's newspaper (foreigners read, too, you know) and just see what sort of a blast we get out of that atomic ridden area.

So don't let your subscription fizzle out because any day now we may be printing an answer to the things we've sorted over here.

SEASON TO START

Football Candidates Meet Friday For Physicals

A call to all candidates for the 1955 football squad has been issued by Coach Gayle Saxton.

Candidates have been asked to be on hand 9 a.m. tomorrow (Friday) at the Nurse's office in the grade building for physical exams. Dr. A. F. Litzenberger will be in attendance.

Two-a-day practice sessions will get underway Monday morning, Saxton said.

The Red Devils will again have a tough eight game schedule including seven conference goes and one non-conference tilt.

The local team will travel to St. Ignace for their non-conference opener, Saturday, September 17th.

Mancelona Voters Okay New School

Voters of Mancelona township approved a $360,000 bond issue and a 15-mill increase in tax limitation to build a new gymnasium and eight new classrooms for Mancelona High School in a special election Monday.

Both proposals von by margins of more than three to one.

The bond issue proposal won, 354 to 109, and the tax limitation increase was approved, 392 to 114.

The present high school buildings are more than 50 years old. A new elementary school building was constructed here three years ago.

COMING EVENTS

August 28 — A Methodist church picnic will be held in the tourist park. Families are asked to bring their own table service, sandwiches, a beverage and a dish to pass.

September 1 — The regular monthly meeting of the National Council of Catholic Women will be held Thursday evening at 8 p.m. The entertainment committee are Mrs. Eva Votruba, Mrs. Helen Weisler, Mrs. Margaret Woodcock and Mrs. Joan Hoffman.

Services For Children At Finkton Church

There will be special children's services held at the Finkton Bible Fellowship Church August 29th through September 2 from 7:30 to 8:30 p.m. Four young ladies who are specializing in children's work will be conducting the services. They are working under the Rural Home Missionary Association in the eastern part of Michigan.

There will be singing, Bible stories, flannelgraph, object lessons and Bible quizzes. All boys and girls as well as older folks are invited to attend. Sunday School teachers and young people's workers from other churches are especially invited.

CALL LE 6-2371

College Days

Carol Gilpin, Central Michigan College.

Pat Gilpin, Davenport Institute, Grand Rapids, stenographic course.

Bonnie O'Brien, Davenport Institute, Grand Rapids, Stenographic course.

Jim McLaughlin, Central Michigan, freshman year, teacher's course.

Margaret Zoulek, Muskegon School of Business secretarial course.

Marjorie Chanda, Muskegon School of Business, secretarial course.

Thomas Sheridan, MSU, agricultural engineering.

Marian Danforth, freshman year, Central Michigan.

Lysle Johnston, freshman year Central Michigan.

Darlene and Marlene Olstrom, freshman year, Central Michigan.

Nan Drapeau, freshman year, Central Michigan.

Woods Become Dangerous Fire Traps

The conservation department has put on a ban against fires or fire permits for burning outdoors in 14 of northwestern Michigan's counties.

All fire permits have been eliminated until a general rain lessens danger.

Conservation officials said some of the forest growth in the north has already become dead because of lack of water, adding to the danger of flash fires.

The department appealed to the public to exercise the utmost caution in the woods and stressed the danger of discarding cigarets.

* * *

EACH DAY without rain from now on will make the situation more critical, it was said.

Charlevoix county forests are especially dry and residents are warned that a small fire can spread so fast, it might be impossible to control it.

The East Jordan fire department has recently stopped several grass and rubbish fires which would have caused extensive damage if they had not been extinguished within minutes.

Seek New City Limit Signs Here

East Jordan may have modern "welcome" signs installed at three city limit points if arrangements are worked out between the businessmen's association, the Rotary Club and the City Council.

Suggested by the businessmen's association, the Rotary club named a committee to investigate the necessary work and approximate cost of sign construction.

An effort is being made to install large rustic signs with log supports bearing the Rotary emblem, the city's population and other current information concerning East Jordan.

Rock Elm Grange To Enter Contest

The newly completed kitchen at Rock Elm Grange No. 705 will be entered in a national "kitchen contest."

The contest is sponsored by the National Grange and Sears Roebuck Foundation.

The kitchen was constructed with donated lumber and about 1,100 hours of donated time.

It is 12 x 24 feet with built in cupboards and drawer space with plenty of table top working area.

The room is equipped with two gas stoves, two large sinks placed end to end and a gas heated steam table.

North Sports Fans Watch Coach Deal

Northern Michigan sports fans are keeping an interested eye on the Charlevoix coaching situation.

The board of education of Charlevoix public schools Monday night accepted formally the resignation of Del Terrill, who is leaving the school to join a sporting goods firm.

It was said that no coach had been hired up to Tuesday night to replace Terrill. Several applications were received and a decision is to be made soon.

News of Terrill's resignation spread rapidly throughout the state since Terrill had done much to increase Charlevoix's basketball fame throughout Michigan.

Applications came from employed coaches who consider the Charlevoix spot a boost up the athletic ladder.

Sept. Inductees

William D. (Bobo) Bennett of Charlevoix, who is a volunteer, will leave September 7th for induction into the armed forces. On September 14th Tom G. Waggoner of Boyne City will leave for pre-induction examinations.

Local Taxes Small Part Of Annual Expenses

★ ★ ★

An East Jordan "industry" will open for business September 6th with an annual payroll of well over $150,000 for all persons employed.

It costs more than $200,000 to operate the industry for the year. It's the East Jordan consolidated school where 47 people will be employed to govern the education of 884 students for the next nine months.

How much do you, as a local school district taxpayer, contribute toward school operation costs?

Local school district taxes would pay for a little more than maintenance and operation of the eleven school buses.

Of the approximate $6,000 per week school operating cost, (for nine months), total local school taxes could contribute $686 each week — the total amount raised here.

In fact, school taxes raised locally amount to about 8 or 10 per cent of the actual annual cost of operation.

The total annual school payroll is six times as great as the amount of all local school taxes collected.

With operational costs at $214,129.64 from July 1954 to July 1955, local taxes to help meet this is only $24,713.

From seven state agencies comes $163,882.09 which enables the school to operate.

Salaries for 30 teachers, not including the superintendent, are $115,317.43 per year.

That's about $3,200 in weekly pay, or nearly $13,000 per month

It costs about $20,000 per year to keep the school buses rolling.

Operation of the school plant, janitors' salaries and supplies run more than $18,000 per year.

Although local school income is but a small amount of school costs, residents further support the school through various state taxes.

However, without state aid, local school taxpayers would have to jump their direct support from $686 per week to $6,000 per week, which would present a highly critical situation.

If entire cost of school operation fell to the responsibility of those living within the city limits of East Jordan, each person would be assessed about $3.00 per day for the school term.

Japan Student To Speak To County Women

Tsuru Nakatani, a Japan university graduate, who is finishing her studies at Michigan State will visit Charlevoix county farm bureau members from 2 to 5 p.m. Friday.

The young student will attend open house at Mrs. Arlo Wickersham's west of Ironton.

The meeting is to acquaint farm bureau ladies with the organization's sponsored Japanese student.

This will be her only appearance in Charlevoix county. Soon she will return to Japan to start a teaching career.

All county farm bureau women are invited to attend the open house.

Open House Set At Local Recreation

Three presidents and a Mayor will be on hand to officially open the 1955-56 bowling season at East Jordan Recreation, 7 p.m. September 1st.

New owner Ode Walker said the alleys will open with the East Jordan Ladies Bowling League of 12 teams starting the season.

On hand during open ceremonies will be: Marietta Walton, president, East Jordan Ladies league; Minnie DesJardins, president, Top O' Michigan Ladies Bowling Assoc.; Donald Clark, president, East Jordan Businessmen's Association; and Vern Whiteford, mayor, city of East Jordan.

Mayor Whiteford will introduce Donald Clark, who will throw the first ball down the alley to open the season officially.

Walker and Andy Anderson, who is again manager of the recreation, have spent some time repairing the alleys, redecorating and putting the building into modern condition.

A neon sign reading "Recreation" has been installed on the front of the building.

The public has been invited to the open house ceremonies; and bowling leagues have been asked to get their reservations in early.

Merchants To Meet At Jordan Inn

New housing units, industrial progress, city advertising and construction of new signs will be some of the important items on the agenda at the monthly dinner meeting of the East Jordan Businessmen's Association next Tuesday night.

The association will meet for dinner 7 p.m. at the Jordan Inn, with guests invited.

It was reported this week that William Downs is in the process of negotiating with VA and FHA officials concerning mortgage loans for new home construction in East Jordan.

Downs said much progress has been made but there is a 'mountain of detail work connected with the negotiations.'

The urgent need for additional family units was discussed at the association's last board meeting.

The board Tuesday was continuing efforts to obtain as a speaker for the meeting a man who has been succesfully dealing with many of the problems facing a growing community.

The following new committees have been named by Chairman Donald Clark:

Highway M-32 committee: Leo Sommerville, Fred Vogel, Don Clark and M. N. McDaniel.

Current industrial committee: chairman, Albert Sinclair.

Advertising committee: Minnie DesJardins, Bill Huckle, Andy Anderson and Marshall Sayles

The board has established the first Tuesday night following each regular monthly association meeting as a permanent board meeting date.

Cities Must Aid Local Industries

Besides looking for new industry, Michigan communities should make a special effort to retain and develop the industries they now have, George Petrie, chief of domestic commerce of the U. S. Department of Commerce's Detroit field office, said Wednesday, August 17) at the first industrial development workshop in Mt. Pleasant.

Seven other instructors spent most of the day discussing with local industrial committees plans for attracting new industry.

The eight industrial development experts spoke before representatives of Gratiot, Isabella, Clare, Mecosta, Midland, Montcalm and Osceola counties. The workshop was sponsored by the Michigan Economic Development Department and locally by the Mt. Pleasant Chamber of Commerce and Central Michigan College.

Petrie emphasized that it is usually the newer and smaller companies which need assistance the most. Many times, he said, community leaders and businessmen can spot signs of trouble in a company and help prevent its failing.

Some of the ways the community can help out are by:

Insuring the adequacy of local utilities.

Promoting vocational training for the community's youth.

Helping to avert any labor-management tensions.

Promoting opportunities for subcontracting with little manufacturers.

Encouraging and offering advice to new manufacturers — especially those with limited experience in business.

"It's appalling to see the number of new industries which fail every year," Mr. Petrie said. "A survey conducted by Dun & Bradstreet shows that 89% of all business failures are due to incompetence on the part of the operator. Undoubtedly many of those failures might have been averted if these businessmen had received good advice in advance."

From the floor, State Senator Bert J. Storey of the 25th District suggested that a directory of Michigan towns should be compiled listing the qualifications of each town that might fit various types of industry coming into Michigan.

You Are Not An Average Man

We're sometimes asked, how does the average reader read? He doesn't. He doesn't because he isn't. There isn't any "average reader." In fact there isn't any average.

Someone has ironically remarked: "An average is a statistical device to conceal variations."

I don't know who he was but I'd like to shake his hand.

An average reader or average anything else is purely fictitious and figmentary character and any resemblance to any person living or dead would be more than coincidental. So when you shoot at the average business, you are just shooting at nothing at all.

* * *

ONE THING that every research man and every advertising man and every editor for that matter needs is to learn that you can't turn people into statistics. And there'd be no point to it if you could for statistics don't read, don't buy, don't even breathe.

They're dead as a dodo—deader!

Now this might convey the impression that we have little use for statistics. On the contrary, we use them a lot — we have to. We also use averages. But if we delt only with statistics and averages . . . this job would be so drab and monotonous that we probably would have quit it long ago . . .

* * *

BUT BECAUSE we are dealing with people, their interests and ambitions and their eternal struggle for betterment . . . our job is most interesting . . . their tastes and interests are forever changing.

No greater calamity can befall a publication (or business) than to be out of step with the people it is trying to serve.

—Howard Galloway, editor, Circulation Management magazine

Andy Anderson, Mgr. Ode Walker, Owner

Luanne Fales and William Reed Wed August 13th in Methodist Church

On Saturday, August 13th at 8 p.m., the Methodist Church of East Jordan was the scene of a lovely candlelight service in which Luanne Fales, daughter of Mr. and Mrs. Lester Fales of East Jordan, became the bride of MM2 William Reed USN, son of Mr. and Mrs. Elmer Reed Jr. of Charlevoix.

Rev. Robert H. Moore read the double ring ceremony before an altar decorated with baskets of white gladioli.

Preceding the ceremony, Devere Middleton of Boyne City sang "Always" and "O Promise Me." He was accompanied on the organ by Fred Stecker, who also played the Lohengrin wedding march.

Given in marriage by her father, the bride was dressed in a white floor length gown featuring a fitted lace bodice with long tapered sleeves, a net yoke and lace peter pan collar. The full gathered skirt was of net over satin with two lace panels on each side of the front. Her fingertip weil was secured to a queen's crown of white seed pearls and sequins. On a white Bible she carried a bouquet of white carnations centered with a white orchid.

Preceeding the bride down the aisle were Mrs. William Dustin as matron of honor and Sandra Sue Fales as flower girl. They were identically dressed in organdy gowns of light aqua with white ribbon sashes and head bands.

Mrs. Walter Fales, Mrs. James Matthew and Carol Jean Fales as bridesmaids were each gowned in coral rose organdy with white sashes and headbands. Each attendant carried a colonial bouquet of white carnations and mums. Robert Reed acted as best man and the guests were seated by Richard Hardy and Nuel Johnson.

The bride's mother was attired in a dress of pink and gray nylon print with pink accessories. The mother of the groom wore a dress of yellow nylon with white accessories. Each wore a carnation corsage.

Immediately following the ceremony a reception was held in the church parlors. The bride's table was centered with a three tiered wedding cake topped by a minature bride and groom. Small baskets of flowers and two lighted tapers completed the arrangement. Cake, ice cream, coffee and tea was served to about 150 guests by Mrs. Donald Stokes, Mrs. Clarence Fales and Mrs. Mike Dennis. Mr. and Mrs. Henry Bos acted as master and mistress of ceremonies.

After a motor trip through the western states, the couple will make their home in San Francisco, California where the groom is stationed with the United States Navy.

"Jumping at conclusions is not half as good exercise as digging for facts!"

Banks Lend Farmers Most Credit

Michigan farmers met their credit needs during 1954 chiefly by loans from their local banks, according to R. A. Campbell Executive Vice President, State Bank of East Jordan. Michigan banks remained the largest lenders to the state's farmers during the year, providing far more financial aid to our farmers than any other lending agency, he noted.

Quoting from the 14th annual farm lending survey of the Agricultural Commission of the American Bankers Association, Mr. Campbell stated that on January 1, 1955, Michigan banks loans outstanding to farmers totaling $113,213,000 including both production and mortgage loans. This compares with a total of $38,770,000 held by the Federal Land Banks, the second largest lender to Michigan farmers.

Bearing out Mr. Campbell's statement regarding the use of bank loans to farmers is the fact that of the total farm debt outstanding in banks in Michigan on January 1, $68,027,000 was in non-real estate or production loans. This compares with $8,554,000 held by Production Credit Associations and $9,842,000 held by the Farmers Home Administration. "It can be seen from these figures that about 80 percent of the production credit used by the state's farmers in 1954 came from banks," he stated. He also pointed out that a high percentage of the $45,186,000 in farm mortgages held by banks in the state at the beginning of this year were made for production and operating purposes.

Mr. Campbell reported that 407 of the 419 insured commercial banks in Michigan served agricultural by making farm loans during 1954.

Start North Industrial Workshops

Industrial development committee members from Charlevoix county have been invited to attend an industrial development workshop August 25 from 9:30 a.m. to 4:30 p.m. at Petoskey, the Michigan Economic Development Department announced today.

Workshop meetings are being held Wednesday (August 24) at Traverse City, Thursday(August 25) at Petoskey, Tuesday (August 30) at Alpena, and Wednesday (August 31) at Standish. They are being sponsored by the Michigan Economic Development Department and the local chambers of commerce.

The first of the statewide series of one-day workshops was held Wednesday, August 17, in Mt. Pleasant. More than 30 industrial development committee members from seven Michigan counties heard eight experts discuss the various aspects of bringing new industries into a community and retaining present industries.

Subjects covered by the work shop include community organization for industrial development, industrial surveys, analyzing a comunity's potential, fund raising for industrial promotion, developing sites for industry, industrial development corporations, assisting local industry, and looking for industrial prospects and selling them on the community.

On recommendation of its Industrial Development advisory committee, the Michigan Economic Development Commission voted to hold the workshops thru out Michigan beginning this month.

The workshops are now being conducted in the northern part of the state as a result of a request from the commission's Northern Lower Peninsula advisory board that industrial development be emphasived in the area.

The Order of the Eastern Star is sponsoring a rummage sale Friday and Saturday, August 26th and 27th, beginning at 10 a.m. in the dining room of the Masonic Temple.

College Courses Start Sept. 7th In Charlevoix

Central Michigan College will again offer courses in Charlevoix for off-campus students beginning September 7, Wednesday, 7:30 p.m. in the Charlevoix high school.

Six hours of credit may be earned during the fall session. Biology 229 (3 semester hours) and Psychology 313 (3 semester hours) are scheduled.

Biology 229 is Nature Study and may often be substituted for biology 252 which is required on all elementary curricula. Students who have completed Biology 152 use 229 toward a biology major or minor, or as an elective.

The course in psychology is required for all elementary provisional certificates.

Students who cannot attend the initial class may pre-register at the office of the county superintendent of schools.

Pat Carney, Gary Whitaker Married Sat.

Patricia Carney became the bride of Gary Whitaker at 8 p.m. Saturday night in a simple ceremony performed by Rev. Robert H. Moore of the East Jordan Methodist church. The bride is the daughter of Clarence Carney and the late Louise Carney of East Jordan and the groom is the son of Mrs. Winnifred Quirk of East Jordan and Glessner Whitaker of Ann Arbor.

The couple will live on Cooperage Street in East Jordan. Patricia is employed at Baker's Restaurant and Gary is employed at Galmore's Standard Station. Patricia graduated from East Jordan high school in June.

LIBRARY NOTES

When school starts the Library will go back to Winter Schedule. We will not be open on Tuesday and Friday mornings then, but will be open during the noon hour on those same days, and in the evenings on the remaining week days. The afternoon hours will remain from 1:00 to 5:00 as now. We are cutting the story hour to one hour from three to four on Saturdays.

Gifts to the Library. Boston (in two volumes) by Upton Sinclair, is the true story of the case of Sacco and VanZetti, who were tried and executed for a murder, yet still believed to have been innocent by many people. Mrs. Rita Schoenfelder gave us these books.

21 mysteries and westerns in pocketbook form were given by Mrs. Teichman, Mr. Gerner, Phyllis McKinnon.

An Industrial Edition of the old Charlevoix County Herald was donated by Phil Gothro. It is very interesting.

Mr. and Mrs. Clifford Brown gave the Library the following list of books:

Books especially for girls: Jo's Boys, by Alcott; Ruth Fielding at Cameron Hall by Emerson; Ruth Fielding at the War Front by Emerson and Cheer Leader, by Singer.

Polly What's Her Name by Ethel B. Sherman; The Camp Fire Girls of Roselawn, by Penrose and Anne of Windy Poplars by Montgomery.

Denys by Mackintosh; The Adventure Girls at Happiness House, by Clair Blank and Betty, the Scribe, by Turner.

Doris Force at Raven Rock by Duncan; Madge Morton's Trust, by Chalmers and The Meadow-Brook Girls in the Hills by Aldridge.

Girl Scouts at Home, Galt; Thus — Doctor Mallory, by Seifert.

These books are all stories of school, camp and adventure or romance.

Three books of short stories and famous stories will appeal to both boys and girls.

For the boys there are two more of the well liked Tom Swift series, and a book about a Fishing Trip as well as one for Boy Scouts.

Two readers for the younger children, and a book for silent reading in about the third or fourth grade, as well as Tobytown, and animal story are for the 8 to 10 year old group. The Boy Jesus by Mary Windsor is a nice story of the childhood of the Savior.

In the Days of the Giants, a Book of Norse Tales, by Abbie Farwell Brown.

Many school and literature books will come in handy thru the school year. Three sets of books were among those given by the Browns. One is Masterpieces of Literature. The others are aids to teachers.

Mysteries for adults: Mischief by Ben Ames Williams; The problem of the wire cage, Carr; The cases of Susan Dare, Eberhart; The Lodger, Lowndes and The Vanishing Liner, Morse.

Romance: Dark Star by Lorna Moon and Illyrian Spring, by Ann Bridge.

Intrigue: Background to Danger, by Eric Ambler. Seventy-three books, besides a few to sell, since we cannot use them, although they are good books.

School Employees Will Vote On S. S. Referundum

All state public school employees will vote on the social security referendum December 14 and 15 to determine whether they wish to incorporate their present retirement plan with social security benefits.

Notices of the referendum will be distributed to school employees between September 1 and 15 so that each person will have a copy at least 90 days prior to the election as provided by law. Information booklets will be distributed to school employees explaining the proposed plan, benefits, costs, and comparisons with the present retirement law.

Each superintendent in the county will be a member of the Election Board with the county superintendent acting as chairman. That board will divide the county into precincts and name school personnel in each precinct to be committee members who will conduct the election.

For passage the referendum requires an affirmative vote by fifty percent plus one of the eligible voters. In effect, any person who does not vote actually votes 'no.'

Mr. and Mrs. Robert Votruba of Chicago were guests of the latter's sister, Mrs. Anna Lilak last week. Mrs. Lilak accompanied them home for a visit.

The Order of the Eastern Star is sponsoring a rummage sale Friday and Saturday, August 26th and 27th, beginning at 10 a.m. in the dining room of the Masonic Temple.

IN MEMORIAM

In loving memory of my beloved wife, Frances, who passed away August 27, 1953.
"One or the other must leave.
One or the other must stay.
One or the other must grieve,
This is forever the way.
One howsoever adored,
First will be summoned away.
This is the will of the Lord:
One or the other must stay."
Sadly missed by her husband,
William F. Bashaw

STATE OF MICHIGAN,

The Probate Court for the County of Charlevoix.

In the Matter of the Estate of Kate Freese, M. I.

At a session of said Court, held on August 16, 1955.

Present, Honorable Floyd A. Supp, Judge of Probate.

Notice is Hereby Given, That all persons interested in said estate are directed to appear before said Probate Court on September 27, 1955, at 2:00 p.m., to show cause why a license should not be granted to William G. Boswell, Guardian of said estate, to sell or mortgage the interest of said estate in certain real estate described in his petition, for the purpose of paying the charges for maintenance of said ward;

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the East Jordan News-Herald, and that the petitioner cause a copy of this notice to be served upon each known party in interest at his last known address by registered mail, return receipt demanded, at least fourteen (14) days prior to such hearing, or by personal service at least five (5) days prior to such hearing.

NOTICE OF SALE
$410,000.00
EAST JORDAN RURAL AGRICULTURAL SCHOOL DISTRICT NO. 2 CHARLEVOIX AND ANTRIM COUNTIES, MICHIGAN
School Building Bonds

Sealed bids for the purchase of general obligation bonds to be issued by East Jordan Rural Agricultural School District No. 2, Charlevoix and Antrim Counties, Michigan, of the par value of Four Hundred Ten Thousand Dollars ($410,000) will be received by the undersigned at the Office of the Superintendent, High School, in the City of East Jordan, Michigan, in said School District, until 8:00 o'clock, p.m., Eastern Standard Time, on the 1st day of September, 1955, at which time and place said bids will be publicly opened and read.

Said bonds will be dated September 1, 1955, will be coupon bonds in the denomination of One Thousand Dollars ($1,000) each, will be numbered consecutively in the direct order of their maturities from one (1) to four hundred ten (410), both inclusive, will bear interest from their date at a rate or rates not exceeding three and one-half per cent (3½%) per annum, expressed in multiples of ¼ of 1%. Said interest will be payable on the first day of January, 1956, and semi-annually thereafter on the first day of July and January in each year. Said interest rate for bonds maturing in any one year shall be at one rate only. Accrued interest to date of delivery of such bonds shall be paid by the purchaser at time of delivery.

Said bonds will mature serially Fifteen Thousand Dollars ($15,000) on the first day of July in the year 1956; Twenty Thousand Dollars ($20,000) on the first day of July in each of the years 1957 to 1965, both inclusive; Twenty-Five Thousand Dollars ($25,000) on the first day of July in each of the years 1966 to 1970, both inclusive; and Thirty Thousand Dollars ($30,000) on the first day of July in each of the years 1971, 1972 and 1973.

Both principal and interest will be payable at a bank or trust company to be designated by the purchaser of the bonds.

Bonds numbered one (1) to ninety-five (95), inclusive, maturing in the years 1956 to 1960, both inclusive, shall not be subject to redemption prior to maturity.

Bonds numbered ninety-six (96) to four hundred ten (410), inclusive, may be redeemed prior to maturity at the option of the School District in inverse numerical order on any interest payment date on or after July 1, 1960, at par and accrued interest to the date fixed for redemption, plus a premium for each bond so redeemed as follows:
$25.00 on each bond called for redemption prior to July 1, 1962;
$20.00 on each bond called for redemption on or after July 1, 1962, but prior to July 1, 1964;
$15.00 on each bond called for redemption on or after July 1, 1964, but prior to July 1, 1966;
$10.00 on each bond called for redemption on or after July 1, 1966, but prior to July 1, 1968;
$ 5.00 on each bond called for redemption on or after July 1, 1968

Notice of redemption shall be given to the holders of the bonds to be redeemed by publication of such notice not less than thirty (30) days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from October 1, 1955, to the date of maturity for all bonds maturing prior to the year 1972; to July 1, 1963 for all bonds maturing in the year 1973; to July 1, 1966 for all bonds maturing in the year 1972; and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the School District. Each bidder shall state in his bid the interest cost to the School District, computed in the manner above specified. No proposal for the purchase of less than all the bonds or at a price less than 100% of their par value will be considered.

The said bonds are payable from ad valorem taxes subject to such limitation upon said taxing power as may result from the provisions of Section 21, Article X of the Michigan Constitution and the Michigan Property Tax Limitation Act.

A certified or cashier's check in an amount of $8,200.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the School District, must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

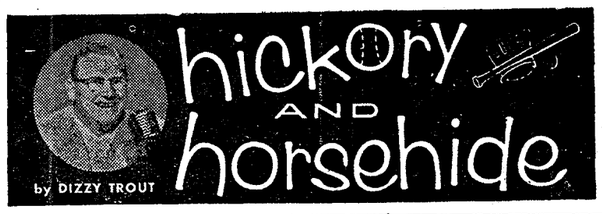
Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, Attorneys, Penobscot Building, Detroit, Michigan, which opinion will be furnished, without expense to the purchaser of the bonds prior to the delivery thereof, approving the legality of the bonds. The purchaser shall furnish bonds ready for execution at his expense. Bonds will be delivered without expense to the purchaser at a place to be designated by the purchaser.

Inquiries with respect to the details of the issue should be addressed to Miller, Canfield, Paddock and Stone, 525 Hollister Building, Lansing 8, Michigan, Attorneys for the School District.

The right is reserved to reject any and all bids.

Envelopes containing the bids should be plainly marked "Proposal for Bonds."

W. G. BOSWELL,
Secretary, Board of Education 34-1



Ol' Diz has been asked more than once how the Tigers get along together. Well, I'm happy to report that the team is one big happy family. All the players like and respect one another. They mix socially. Sometimes they go out in a group.

Contrary to the general impression, this is true of most major league baseball teams.

Today's baseball player is better educated and better mannered than his counterpart of years ago. Where the old-time player generally was cocky and difficult to manage, the current crop regards baseball as a serious business and tries to get along with everybody.

FEUDED AMONG SELVES

Of course, sometimes there are individual differences between players but rarely is there team dissension such as may be rumored or reported.

In fact, the last case of outright dissension Ol' Diz can recall occurred in 1940 when the so-called Cleveland "cry-babies" feuded with their manager and among themselves.

What usually causes such dissension, when it does infrequently occur, is a team faltering under the pressure of a tight pennant race. Harmony prevails on a winner but a loser, being under greater tension, is more susceptible to a blow-up.

In my experience, there has never been real dissension on the Detroit baseball club. A good manager can stop it before it gets fairly well started.

TRUE TO LIFE

Individual disputes, arguments that fade out almost as quickly as they flare up, are another matter. You'll find them in baseball just as you will in the ordinary course of life.

With the Tigers, Ol' Diz recalls a big niffnaw years ago between Birdie Tibbetts, then our catcher and now the Cincinnati manager, and Bobo Newsom, who was the ace of the pitching staff, over what pitch to throw. It started on the field and continued in the clubhouse, ending as abruptly as it began.

Then there was the time in 1949 when Dick Bartell, our coach, and Ol' Diz had a tiff in the clubhouse in Boston over my taking some extra cuts during batting practice.

But even these occasional blow ups are missing from the Tigers of 1955. The team likes Manager Bucky Harris and his coaching staff. The older players, who may have laxer habits, are careful to avoid going around with the younger players and imparting their bad habits. And when a social event is planned such as a card game or show everybody is invited.

This spirit of camaraderie is most evident on a day off from the Hickory and Horsehide game when virtually the entire team and the players' wives get together for a barbecue at a beautiful private home on Lake St. Clair each couple contributing part of the "fixin's."

Orchard Notes . . .

This writer has been in the Munson Hospital for a week or so and arrived home August 18.

The Grand Traverse county agent states that most farm crops are hurt bad and that fruit trees may be weak to stand a cold winter. Rains since last June have done but little good.

I note that the Red Haven peach season started August 15th and will be well over by August 25th to 30th.

Some cherry growers down this way feel that too much fertilizer caused too heavy a set resulting in smaller cherries. I can remember way back when only barn yard manure was used and while there was a lighter set of cherries, all of them were of good size.

From where I sit ... by Joe Marsh

After-Dinner Speaker Gets His "Deserts"

"Red" Thomas tells about a dinner party he and his Missus went to in Center City last week. He said it was a wonderful party—except for one guest who was a real "know-it-all," right from the start.

Whatever the subject, this fellow considered himself an "expert." Wasn't quiet about it, either. He told different people what automobile to buy, what books to read—even told some who they "just had" to vote for.

When it came time to leave, this fellow must've felt a pang of conscience. He turned to the hostess and said: "I suppose I was a bit outspoken tonight." Quickly she replied, "Of course not. No one could have *out-spoken* you."

From where I sit, it's all right to have opinions as long as you don't try to force them on neighbors. Take those who would deny me an occasional glass of beer simply because they prefer something else. They're welcome to their choice but shouldn't try to force me to be a "party" to it!

Joe Marsh

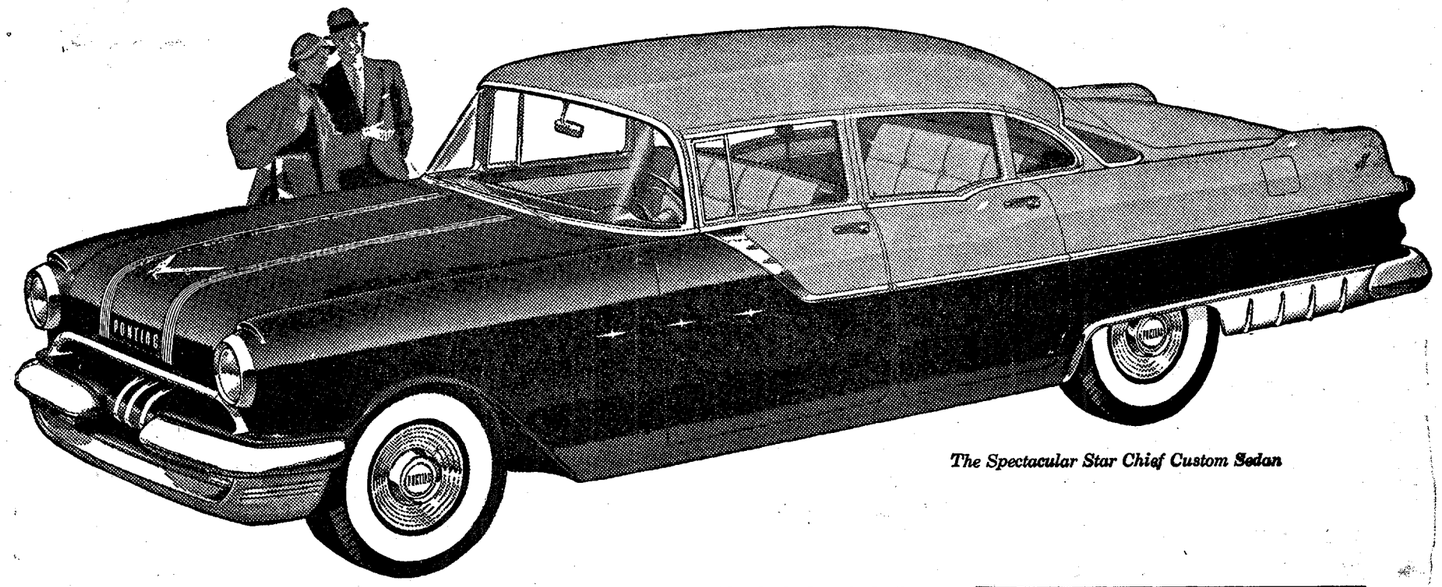
The best deal you can get is the deal built into a Pontiac!



The Spectacular Star Chief Custom Sedan

There's something you ought to know before you sign up for a new car—something half a million owners of the '55 Pontiac have already learned to their profit.

You actually get *two* important money-saving deals when you buy a future-fashioned Pontiac.

You get the kind of trade-in allowance you'd expect from Pontiac's volume sales. The biggest year in our history pays off for you in appraisals that won't be topped!

That's deal number one—and the second is even better! We're talking now of the terrific deal that is built right into the car itself.

Compare Pontiac's modest cost with that of any other car combining such fine-car size (124 inches of road-leveling, road-hugging wheelbase), such blazing horsepower (200* eager "horses") and such luxury-car stability—and here's what you'll find:

That combination anywhere else will cost you hundreds of dollars more!

Get the proof that the big, high-styled, high-powered Pontiac you really want to own is actually your easiest buy. Come in and talk trading—now!

**with 4-barrel carburetor, an extra-cost option.*

Frank Cihaks To Observe Golden Wedding

Mr. and Mrs. Frank Cihak from the Bohemian Settlement will observe their 50th wedding anniversary Sunday.

Frank Cihak and Mary Benda were united in marriage at St. John's Catholic Church in the Bohemian Settlement on August 28th, 1905.

Mr. and Mrs. Cihak had seven children, Mrs. Marie Pristup, Mrs. Anna Jaeger and Mrs. Rose Faellaci, all of Chicago; Mrs. Jane Wyn of Muskegon; Frank Cihak at Fort Custer; Mrs. Minnie Dunson and Em Cihak of East Jordan.

The day will be passed quietly because of Mrs. Cihak's physical condition.

Mrs. Eva Hirshberg and Mrs. Lottie Lenick, (Eva and Lottie Cohen) who are spending the summer at Charlevoix, were calling on friends this week.

* * *

Mr. and Mrs. H. S. Hannerman of Houghton Lake and Mrs. J. L. McGuire, of Plainwell, spent Sunday with Mr. and Mrs. Sid Sedgman.

New addresses include one for Wayne Simonson who is now in Japan and one for Murray Nelson. They are: Pvt. Wayne Simonson, RA 16 471 883, Hq. Co 8030 Au, APO 343, San Francisco, California.

Murray R. Nelson, AG Section, Hq 1st Inf. Div., Fort Riley, Kansas.

* * *

Just as the weather is starting to get cool Robert Lick is transferred from California to Maine. He writes: Dear Sir: I have a change in address to give you. I was stationed in California for two months and now have been transferred to Dow AFB in Maine.

At Castle where I was, they were bringing in the new B-25 when I left. Here there are mostly KC97's and some fighters.

Well, I guess that's about all for now. My address is: A-2c Robert R. Lick, AF 16 471 326, 4060th F.M.S., Dow AFB, Me.

Seek M-66 As Main State Road

The sixth meeting of the M-66 Ass'n was held Aug. 18, 1955 at Lake City in the dining room of the Missaukee Cafe.

In the absence of the President Wayne Wood, V. P. Allan Williams presided.

The M-66 Association composed of members along the route was formed to promote M-66 as the preferred highway north and south from the proposed Indiana Toll Road to the Mackinaw Straits.

The Board of Directors of the Ass'n are composed of two representatives from each county thru which the highway passes, and are in charge of promotion and solicitation within their respective counties. Excellent cooperation has been received from nearly all of the communities and it is expected that 100% participation will be forth coming.

Larry Crandall, Battle Creek, Chairman of the Liason Committee gave a full report on progress of the planning now going on in the State Highway Department for the improvement and extension of M-66.

Gayle Keihl, Nashville, Chairman of the Advertising Committee advised the group that his committee had settled on strip maps, table mats and outdoor bill boards as the advertising media for the Ass'n. Members present voted to appropriate money for such advertising.

Finkton News

Mr. and Mrs. Avery Willson of Central Lake were Sunday afternoon callers at the George Spence home.

* * *

Mr. and Mrs. Jack Coleman came up Sunday to take their children back to Detroit. The Coleman's are moving this week from Detroit to Tulsa, Okla. Jack has been transferred to Tulsa by the John Hancock Insurance Co.

* * *

Floyd Hans and Roy Clark of South Bend, Ind. spent the week end with Norman Beal. The three were army buddies.

Miss Alice Spence returns in September for her third year at the Baptist Institute and Seminary at Grand Rapids.

Leland and LeRoy Beal flew to Flint Monday.

* * *

Mr. and Mrs. George Spence and Alice were happy to have a letter from Versile Saturday letting them know he had reached Germany safely. Versile writes of a very interesting trip across the Atlantic. Special mention of a school of whales and the viewing of the White Cliffs of Dover. He went from northern Germany to the southern part by train. The wheat was in shock and the gardens large and very well cared for. He says Germany is beautiful.

Am sure he would like to hear from his friends. His address is: Pvt. George V. Spence, W. S. 55530433, How. Co. 2nd Bn., 3 A. C. Regt., APO 139, New York, New York.
